

PRIVATE TOURS

Looking for more choice, or want to take your time exploring this stunning piece of Queensland's coastline? Travelling privately is the perfect option for families, friends travelling together or couples wanting more choice, flexibility and privacy. Set the pace of the tour and decide how long to stay at each of the stops.

You can choose to include a 13 kilometre detour (approximately 40 minutes) into your 4WD trip, through the National Park Freshwater Track. This track gives a full 4WD experience and travels through old growth hardwood forests.

Your tour includes morning tea and a gourmet picnic lunch on Rainbow Beach amongst the Coloured Sands.

A Private Charter means private travel in a 4x4 wagon. As well as freedom to control the itinerary and a more personalised interaction with your guide.

Your tour guide can take you through all the options on the day dependent on weather, season and tide conditions.
